

Diaphragm Liquid Pumps

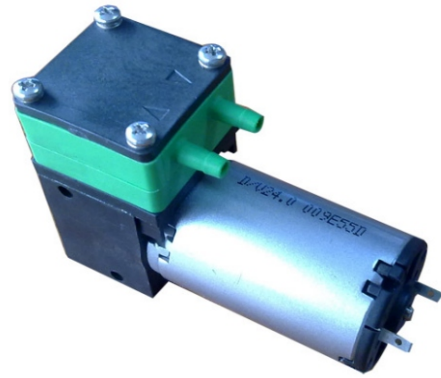

GL300DC

Features

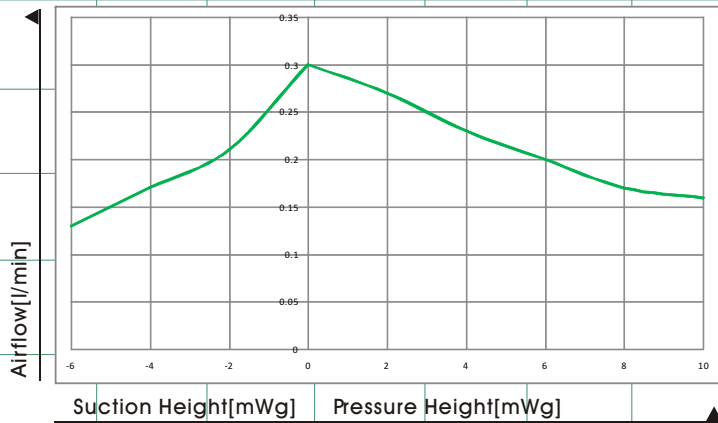

- Oil-Free
- Long Life
- Low Noise Level
- Self priming
- Compact Size
- Low Weight
- Maintenance Free
- Dry running

Materials

- Pump Head: PPS
- Diaphragm&Valves: EPDM, NBR, Viton, Teflom

Airflow Curve

Specification

Model	GL300DC
Outlet Airflow	300ml/min
Rated Voltage	DC6/12/24V
Max Pressure Head	10mWg
Max Suction Head	6mWg
Maximum Current	1.1/0.55/0.27A
Weight	190g
Dimensions	84×31×55mm
Ambient Temperature	5 deg. c to 45 deg. c

Application Examples

- Bio-chemical analyzer
- Lab equipment
- Microplate washer
- Air sampler
- Medical applications
- Wide-format printer
- Chemistry analysis
- Industrial applications
- Printing systems

Dimensions mm
